## WOMEN'S BUSINESS NETWORK BREAKFAST IN MOUNT GAMBIER

The Mount Gambier and District Women's Business Network is giving other business people the chance to hear from and meet home based businesses that are part of the Limestone Coast Home Based Business Network. The next event on Wednesday the 9<sup>th</sup> of September is a visit to the Limestone Coast Home Based Business Network Hub at Shop 3 Mitchell Street Mount Gambier commencing at 5.45pm followed by an informal networking dinner at Caffé Belgiorno at 7pm.

The Limestone Coast Home Based Business Network Hub has been set up to allow members to get together to share their expertise, brainstorm ideas and develop connections with more businesses. The HBB network currently has a diverse cross section of businesses and remains a supportive not for profit strategic network that seeks to foster the growth of home based businesses throughout the Limestone Coast. They continue to explore and implement cooperative initiatives that will advance the network and improve the bottom line of member's home based enterprises. The Network's HUB at Shop 3 Mitchell Street Mount Gambier is run by members for members providing space at low costs and includes retail sales, workshops, demonstrations and meeting space.

The dinner will cost whatever is ordered from the menu. People interested in attending are asked to contact SERDE on telephone 8723 1050 or e-mail [admin@serde.org.au](mailto:admin@serde.org.au) as soon as possible.

The organising group is made up of members of Women in Business and Regional Development, a respected women's group originally sponsored by the Limestone Coast Area Consultative Committee, as well as other local businesswomen.

Group spokesperson Karen Leslie said that organisers were pleased with the response to the previous events and businesses were already seeing the benefits of being members. Mrs Leslie said that as well as sharing knowledge with other businesses and hearing informative speakers, women and men attending the events would get to meet other business people in a friendly and informal setting.

The next event is planned for Wednesday the 11<sup>th</sup> of November 2009 with a visit to Allendale East to showcase businesses based there followed by an informal dinner at the award winning Bellum Hotel.
