

A business networking opportunity in Penola

# “Making the most of your Smartphone”

## Also a talented trio of Penola Business Women

Women in Business and Regional Development Inc (WiBRD) a not-for-profit organisation, is a pro-active and effective organisation operating within the Green Triangle Victoria and Limestone Coast of South Australia. Women in Business and Regional Development Inc connect rural and regional women for the purpose of developing their skills, celebrating their successes, and achieving their full potential. We work in collaboration with like-minded people and organisations to provide dynamic programs that are relevant and accessible, and contribute to building rural and regional futures.

Join us along with Lesley Pierce from One Zero, Millicent to talk us through all the tips and tricks to make life and business easier and more productive with smart phones.

Meet a talented trio of Penola business women: Wendy Hollick; runs a family wine and food business, Roz Minion; Mobile Art Studio and Arts Educator, and Anne Johnson; a community engagement consultant.

Please bring along your business cards and promotional material for networking.
