Relax, Unwind & Find Balance

Women in Business & Regional Development Inc is currently planning an annual event that will not only indulge women and add a little luxury to their lives, but support the development of local businesses in Robe during the quieter months.

It is expected that 100 women will attend the inaugural Mind Body & Soul weekend in Robe, and we are offering businesses a chance to promote their business in the weekend program booklet.

You may like to offer a special discount, gift with purchase, or just let the attendees know your opening time.....this is a great chance to increase business over the quieter times.
